

Blowin' in the Wind Bob Dylan

How many roads must a man walk down CFCF
Before you call him a man? CFG
How many seas must the white dove sail CFCF
Before she sleeps in the sand? CFG
How many times must the cannon balls fly CFCF
Before they're forever banned? CFG
 The answer, my friend, is blowin' in the wind FGC A7
 The answer is blowin' in the wind FGC

How many years can a mountain exist CFCF
Before it's washed to the sea? CFG
How many years must some people exist CFCF
Before they're allowed to be free? CFG
And how many times can a man turn his head CFCF
And pretend that he just doesn't see the answer CFG
 The answer, my friend, is blowin' in the wind FGC A7
 The answer is blowin' in the wind FGC

How many times can a man look up CFCF
Before he sees the sky? CFG
How many ears must one person have CFCF
Before he can hear people cry? CFG
And how many deaths will it take 'til he knows CFCF
That too many people have died? CFG

The answer, my friends, is blowin' in the wind FGC A7
The answer is blowin' in the wind FGC
Oh, the answer, my friends, is blowin' in the wind FGC A7
The answer is blowin' in the wind FGC
